Dear Parent/Guardian,

Welcome to the Spring 2021 Lombard Park District Youth Soccer Program. We are looking forward to providing a quality program that your child will enjoy. Our goal is to provide your child with a fun activity that will help instill sportsmanship and teamwork, while helping develop their soccer skills. We believe that it's important to stress that winning soccer games is not the goal of the youth soccer program. Competition can be healthy, but we emphasize enjoyment and skill development over winning. Each child has his or her own reasons for participating in this sport and it is our responsibility to ensure that all participants are able to enjoy their experience. Please keep in mind the values of sportsmanship, learning, and fun that all Lombard Park District athletics programs try to instill.

Inside this manual, you will find important information about the soccer season. Please take the time to read through this manual, as we feel that it is an informative resource that can help answer many of the questions you may have.

The Youth Soccer program relies on a combination of volunteer coaches and helpful parents to deliver a quality program. We ask that you please keep in mind that the coaches are still volunteers who are generously donating their time and effort to the program. Please help them in any way you can, whether it is helping out at practices if needed, or even doing the small things like communicating to your coach ahead of time if your child will be missing your team's game. Let's help make the coach's job just a little bit easier if we can!

On behalf of the Lombard Park District, thanks for choosing to have your child participate in the Lombard Park District Youth Soccer program, and for helping us deliver the best possible experience for your child. If at any time you have questions or concerns, please don't hesitate to contact me.

Best Regards,

Jake Pawlak

Equipment & Safety Guidelines – (All Sports Policy)

Mandatory Equipment

-Face Mask- All participants must wear a face covering that fully covers their nose and mouth and fits snugly against the sides of the face with no gaps, whether indoors or outdoors, unless a medical condition prohibits the participant from wearing a face covering.

-Hand Sanitizer- Please bring your personal hand sanitizer. Sanitizer should be used before, during, and after practice.

-Water bottles- Please bring a water bottle to all practices with your child's name on it.

-Shin Guards (Worn to all games & practices UNDER soccer socks)

- **Long Soccer Socks** that cover the Shin Guards

- **Lombard Park District Soccer Jersey (Reversible Navy Blue/Gray)** – are available to purchase for \$18.

-Eye Glasses: Wearing eye glasses during soccer activities can be dangerous for your child. Glasses have been known to break and cut if a ball strikes a child in the eye. Eye glasses are absolutely not allowed for grades 3 and up. Sports goggles or contacts need to be worn instead. Your child will not be allowed to participate in games if they are wearing eye glasses in 3rd grade or older. It is strongly recommended that anyone under the 3rd grade level do not wear eye glasses during games. If your child is wearing eye glasses, they need to be secured by string or tape around the back of the head.

Recommended Equipment

-Face mask and hand sanitizer (Required).

- **Shorts, athletic pants, or sweat pants** for all games & practices

- **Soccer cleats** (No metal cleats) – Note: soccer cleats primarily help with footing and allow players to cut better, run better, and not be as likely to slip. Cleats are probably not critical for the youngest players, but as players get older, and the game moves a little faster, wearing cleats becomes increasingly helpful for the player. We recommend that by 3rd grade, all players wear cleats.

Soccer Ball – Coaches will be given a limited number of balls to use for practices, so we recommend that your child brings a ball with them to practices and games. Ball sizes can be found on page 8-9.

Other Equipment/Safety Notes

- **No jewelry** is allowed to be worn during practices and games, including earrings, watches, rings, necklaces, bracelets, or hard hair clasps or barrettes.

- **No hard casts** are allowed to be worn during practices and games. Splints must be of a padded nature and wrapped

- **No brimmed hats or sunglasses** are allowed to be worn at games

- **Sweatshirts or other garments** are allowed at games, but should be worn UNDER the jersey.

- Any personal items (especially balls and water bottles) should be clearly marked with the player's name.

Expectations of Parents

- 1) Exhibit good sportsmanship toward all participants, coaches, referees, and other parents, both on one's own team and the opposing teams.
- 2) Communicate in a constructive way with Lombard Park District staff, including coaches, referees, and program manager.
- 3) While we encourage parents to stay at games and practices, if you do decide to drop off your child at a practice or game please pick them up in a timely manner. Please show respect for your coaches by being prompt.
- 4) Make every effort to let your coach know if your child will be absent from a game. Coaches really appreciate knowing about absences ahead of time.
- 5) Fill out Youth Sports Information Form upon registration.
- 6) Help coaches keep the program fun.
- 7) Adhere to the Parents' Code of Ethics

Parents' Code of Ethics

I hereby pledge to provide positive support, care, and encouragement for my child participating in youth sports activities by following this Parent's Code of Ethics:

- I will encourage sportsmanship and character development by showing support for all players, coaches, and officials involved at every game and practice session.
- In conjunction with the Lombard Park District, I will place the emotional and physical well-being of the children ahead of a personal desire to win.
- I will insist and help to ensure that my child and his or her team play under safe conditions at all times.
- I will expect that my child's coach and team adhere to all rules of participation and competition at all times.
- In accordance with the Lombard Park District and Lombard Character Counts! Coalition, we will uphold the principals of the six pillars of trustworthiness, respect, responsibility, fairness, citizenship, and caring.
- I will not condone the use of drugs, alcohol, or tobacco at any Lombard Park District event and will refrain from their use at all games and practice sessions.
- In an effort to aid their development, I will make every attempt to make sure that my child attends all practices/games on a timely basis.
- As a family and team, we will respect all of our teammates, opponents, referees, coaches, and league officials.
- I will do my best to actively take on any role necessary to improve the quality of my child's sports experiences.
- I will remember that youth sports programs are intended for the youth of our community and I will do my best to make these experiences fun and rewarding.

Thank you for your commitment to the Lombard Park District Youth Sports Programs and for pledging to follow this code of ethics!

Playing Rules

Rules Applying to All Levels

Any rules/guidelines not explicitly stated below will follow FIFA Laws of the Game

- 1) *Good Samaritan Rule*: If one team is short players, the other team should either share players or play with the same number of players.
- 2) *50% Playing Time*: All players attending the game should play at least 50% of the game, unless there is an injury, illness, un-willingness to play, or the player is not present for the entire game.
- 3) *Three Goal Advantage*: If one team gets ahead by three goals, the opposing team can add one player until the deficit is fewer than three goals. If the deficit reaches five goals, the team ahead should remove a player or a second player can be added to the field for the team that is behind. Coaches should take measures to keep from running up the score and keep the game fun for both teams.
- 4) *Tie-games remain as ties*. There are no “shootouts” or overtime periods played.
- 5) *Goalkeepers*: Upon making a save, goalkeepers shall release the ball in less than 8 seconds. They must stay inside the penalty area if touching the ball.
- 6) *A Goal kick must leave the goal area to become live*. If a player enters the goalie box and makes contact with the ball too soon, the ball will be re-kicked by the goalie.
- 7) Only 1 attempt will be allowed on a corner kick
- 8) In compliance with U.S. Soccer and the AYSO, headers will not be allowed in practice or games for grades Pre-K through 4th Grade. All other levels may have limited headers in practice and can be used in game play. Penalty for an intentional header at the younger levels will result in a free kick from the spot of the offense.

New Rules with Players per Side!

The main governing bodies of American youth soccer, the AYSO and US Youth Soccer, have changed their recommendations for the amount of players that should play on each team during game play. It is recommended that small-sided games are played as much as possible. The less players on the field, the more experience and touches each player receives. This is in an effort to improve players’ experience and improve skill development. Starting in the spring of 2018, the Lombard Park District will start to moving toward compliance with these recommendations. For some leagues we will not be in full compliance, but we will be working towards these goals over the next few seasons.

Team Formation Guidelines

The following youth sports guidelines have been developed in an effort to create a fair and equitable way to form Lombard Park District youth sports teams. Coach and friend requests are honored if possible.

Reasons why requests may not be honored:

- Too many players request the same team
- Inhibits a satisfactory ratio of older to younger players, or male to female players for Co-Rec leagues
- Conflicts with practice nights

Staff reserves the right to break up teams if their skill level is deemed too high and creating a poor experience for other teams.

Each team will automatically have the coach's and assistant coach's children placed on their team. Each head coach is only assigned one assistant coach.

All siblings falling within the same age group will be placed on the same team. Participants who are on the waitlist will not be guaranteed a coach or a friendship request.

THERE ARE NO GUARANTEES OF RECEIVING YOUR REQUESTED FRIEND OR COACH!!!

Frequently Asked Questions

How do we find out what team we are on?

Coaches will receive their team rosters and be instructed to contact their players no later than April 4th. If you do not hear from a coach by that date, please contact the Program Manager Jake Pawlak at 630-953-2371 or Jpawlak@lombardparks.com. Your coach will let you know the date/time/location of your first practice.

How are practices organized?

Each team will have 1-2 practice per week, weather permitting. It is encouraged for coaches to try to maintain a regular day each week to practice, but coaches are allowed to change to another day if they are unable to hold a practice on their normal day. Coaches will use their discretion regarding practicing in wet weather, and will communicate practice cancellation decisions to parents. Under no circumstances should teams practice during thunder storms or heavy rain. There will be rare occasions in which games are scheduled on game fields during the week, but we'll try to keep everyone informed about this ahead of time.

How are the teams made?

Please see the Team Formation Guidelines. Coaches are guaranteed to have their child and the child of their asst. coach on their team. No coach requests are guaranteed. Friendship requests simply work if each friend requests the other (ie Billy requests Jimmy AND Jimmy requests Billy). *Chaining friends (listing one friend who lists another, and so on until it forms an entire team) or listing multiple friends are not permitted.*

When will games be played?

Games will begin April 10th. Game schedules can be found on Quick Scores website under Lombard Park District, and the season/league your child is enrolled in.
