

**Kiddie Campus News
2021**

It is hard to believe May is here and school is almost over for the year. Thank you to all for being diligent with keeping us up to date on any possible exposures and keeping your children home when ill. It has been wonderful to be able to have in person learning this school year.

May can be a very busy month with children in school. Please refer to your child's classroom newsletter and calendar for a schedule of special events.

As we get closer to events detailed information will be sent home as reminders.

Evaluation forms: Please take the time to complete the evaluation forms you will be receiving in the next couple of weeks. You can return them to your child's teacher, the registration office or the drop box in front of Sunset Knoll Recreation Center. Your input is very important to us.

Rose Pest Solutions: Rose Pest Solutions will be here on Friday, May 21 to inspect Sunset Knoll Recreation Center.

Kiddie Campus 2021-22 school year openings: We have some openings available in Junior and Senior Kiddie Campus for next year. If you are interested please contact Miss Karen for classroom availability.
