

**Miss Karen and Miss Anna  
Room 5 news**

Time flies when you are having fun and it has been a really fun year of learning! The children have really grown and become more independent this year. We have really enjoyed having them in our class!

They are willing to try different things: a food they have never eaten before, a messy project they were a little unsure about, how to ask a friend to play, willing to try writing something, even if a mistake is made and how to be more patient and understanding of others. All of these skills will be very helpful when going to Kindergarten.

It is amazing how quickly this school year flew by. With the little time we have left, we have a fun month of activities to keep the children excited and engaged, with thoughts of summer looming in the air.

**Please keep your calendars handy.**

Each day in May your child will be responsible for wearing or bringing something to school.

**Literacy**

- Planting a Rainbow-Lois Ehlert
- What Mom's Do Best
- A Rainbow of My Own
- Pete the Cat and the Treasure Map
- Kindergarten, Here We Come
- Countdown to Kindergarten
