

**Room 3 –May Newsletter
Ms. Laurel & Ms. Andrea**

WOW! We cannot believe it is the end of our school year! It went by so quickly! This is our last newsletter for the year. Our last day will be on Thursday, May 20th and Friday, May 21st.

Some of our April favorites: We had fun talking about the signs of Spring this month, Bug fun, Earth & Gardening, Farms, and Oceans. We liked using blue and green food coloring and eye droppers to make an Earth out of coffee filters, we practiced patterns using bug shapes to tell our teacher what comes next in the patterns, and we also used our fine motor skills when we beaded a caterpillar. We enjoyed learning about and watching class caterpillars grow into butterflies! Farm week had us talking about jobs on the farm and what farms produce for our families. During Earth week, we talked about how we can help save the Earth. During Ocean week, we learned all about creatures that lived in the oceans and made fish crafts.

Birthdays: May birthdays are: Oliver, June, Jack and Nolan. June Birthdays are: Ilamuhilan, Brooklyn, and Eleanor W., August Birthdays are: Fin, Logan and Emily. We hope you all have a wonderful day!

May Themes: We Loves Our Moms, Jungle Jam and Ice Cream Fun
